

FOR IMMEDIATE RELEASE:

Sintelsat has Confirmed its Sponsorship to the US-Afghan Business Matchmaking Conference Organized by the Afghan-American Chamber of Commerce (AACC)

Stony Brook, NY – October 19, 2006 – Sintel Satellite Services, Inc. (Sintelsat) New York is very pleased to sponsor the US-Afghan Business Matchmaking Conference (US-ABMC) on October 29th-31st in Washington D.C. organized by the Afghan-American Chamber of Commerce (AACC). Sintelsat presence in Afghanistan and its participation in various the US and international programs in rebuilding Afghanistan and the latest development in the telecom sector have promoted a lot of enthusiasm in supporting this event. Sintelsat's sponsorship to the US-ABM Conference will showcase the company's capabilities and commitment in providing reliable and cost effective communication solutions in satellite, microwave, fiber and wireless infrastructure projects deployment in Afghanistan.

Last month, Sintelsat participated in a private dinner hosted for the Minister of Communication, HE Amirzai Sangin, and the Afghanistan delegation which turned out to be a very successful event. Following the event, Sintelsat made a presentation on the national fiber ring project in Afghanistan and its advantage to the local economy. The presentation was attended by a delegation of Member of Parliament from Afghanistan which was arranged by The American Council of Young Political Leaders and other US companies.

Sintelsat has successfully completed a number of telecom programs in Afghanistan and provided IP, voice & data connectivity to various Military bases, Satellite Cable TV connectivity for US troops at Bagram, Camp Phoenix and other bases, high capacity Microwave terrestrial link using 155 mbps STM-1 connectivity between two US Embassy locations in Kabul and recently completed DAB Bank VSAT network project to provide the bank voice, data and financial transaction including SWIFT international money transfer capabilities at multiple locations in Afghanistan including Kabul, Mazar, Herat, Kandahar, Jalalabad, Conduz and Gardez.

Sintelsat is very pleased and honored to be a part of this occasion and welcomes all participants in this event to take an open view at our capabilities and offerings in Afghanistan. With Sintelsat, AACC can guarantee our support to its mission in forming partnerships with business associations, think tanks, universities, local chambers of commerce, and other business organizations that have vested interests in rebuilding, an open economy and a democratic political process. We pledge our commitment and support for the rebuilding of the nation and work towards a better future of millions of Afghan people.

The conference will start with a Welcome Briefing on Oct.29th at Four Seasons Hotel to be followed by a Welcome Reception at Embassy of Afghanistan in Washington, DC.
