

FOR IMMEDIATE RELEASE

Sintelsat's Chairperson Meets with Virgin Empire's Billionaire Sir Richard Branson in New York

Stony Brook, New York, August 30 , 2007 – Sintelsat's Chairperson, Manisha Prakash, meets with Sir Richard Branson in New York. The meeting was observed at the JFK International Airport. Ms. Prakash has expressed her gratitude for Sir Richard's kindness and agreeing to meet with her on such a short notice. She expressed her deep appreciation for the entrepreneurship, leadership, and enthusiasm for building new businesses and passion for life. Sintelsat global team leader and President, Sanjay Singhal, though not present on the occasion, was overjoyed by this experience and described Sir Richard Branson as a man of inspiration to the company. Further details of the meeting was not revealed.

Sir Richard Branson is an adventurer, a philanthropist, and one of the greatest entrepreneurs of the current era.. He is a billionaire Knighted by Queen Elizabeth II in 1999 for his contribution to entrepreneurship. He started as an entrepreneur at the age of 16. He is the billionaire founder of the Virgin Empire. Sir Richard controls businesses of a very wide range of products and services in a vast geographical coverage.

His businesses located throughout The United Kingdom, the United States of America, Australia, Canada, Asia, Europe, and South Africa. Today, the Virgin Group is a 21st century global leader in transportation (Virgin Airlines), healthcare, financial services, leisure, and media (Virgin Records) guided by the principle of environmentally efficient commerce.
