Washington, DC, March 25, 2008—USPAACC has recently announced that Sintel Satellite Services, Inc. has passed the rigorous criteria established by the Asian American Suppliers Council (AASC) and now certified as Asian American-owned Business with Level I certification. Sintelsat is now a registered member in good standing with AASC and would be participating in USPAACC's 23rd annual conference advisory committee in the CelebrAsian 2008 to be held on May 27th - 29th in Washington DC .

According to Ms. Susan Au Allen, National President/CEO, USPAACC, Sintelsat has met the rigorous criteria established by the Asian American Suppliers Council. As stated by AASC, Sintelsat can maximize its contracting opportunities with US corporations and government agencies. In addition, Sintelsat will be added to the exclusive list of Asian American Suppliers and USPAACC "National Directory of Asian American Business & Resource Guide". This unique publication will be distributed to USPAACC members, government agencies (OSDBU offices), Fortune 1000 companies' supplier diversity offices, the White House, US Congress, 50 Governor's offices, mayors of major cities, major universities and more!

About Asian American Suppliers Council (AASC)

Asian American Suppliers Council (AASC) is a program of the US Pan Asian American Chamber of Commerce (USPAACC). Founded in 1984, USPAACC is the only national pan Asian American trade association in the United States. Asian American suppliers join AASC to increase their contacts and sales. Corporate and public sector purchasers join AASC to diversify their supplier and customer base. AASC is a unique national one-stop shop for corporate America and the public sector ("purchasers"), and Asian American businesses ("suppliers"), designed to nurture and develop mutually beneficial business relationships. .
